Discussion

Want to get more people in the congregation involved in different activities.

- ◆ Set term limits
- ◆ Rotation model for Sunday School for different people to use their talents
- ◆ Time-Talent survey – Gifts Survey
- ◆ New member class taken to church – where you want to use time/talent
- ◆ Spread out responsibilities, have leadership board ask others to utilize their talents
- ◆ Develop more relationships with members to tap into resources/gifts they have.
- ◆ Start small and then work into larger positions i.e. make cake, help with booth etc...
- ◆ Have specific goal in mind
- ◆ Have midweek classes intergenerational
- ◆ Create new opportunities for people to serve
- ◆ Minister to older adults to help with activities
- ◆ People tend to be unsure what gifts are – need opportunity to try and see if this is their gift.
- ◆ Need to encourage people's gifts so they will continue to use their gifts.
- ◆ Adopt a family to get to know each other.
