WE'RE MAKING A TORNADO HISTORY

This sign is at the corner of Main and U.S. 54. It's true. It's true for all the volunteers who are coming to Greensburg. It's true for the residents of Greensburg. Each day we see new homes started. Each day there are large changes in the landscape here and volunteers are making many of those changes happen.

In the last two weeks SCKTRO has brought three houses out of the ground. Roof trusses are being set on one. On Friday roof trusses should arrive for the second house. Hopefully a fourth house will have footings poured early next week.

- **VOLUNTEERS** For the next three weeks we have all the volunteers we can use.

Last week 100 volunteers

This week 140 volunteers

Next week 340 volunteers

The following week 100 volunteers

These volunteers represent all church denominations. Some volunteers can still be used in April and June. However, our space is filling up so reserve your group's time as soon as possible. We are booking groups now for the rest of the summer.

- **Tools:** We still need volunteers to bring tools such as ladders, paint brushes, nailers, compressors, saws and your hand tools for framing, dry walling, electrical and plumbing. Don't forget gloves, hats, and layers of clothing for varying weather conditions. We can advise on possible jobs a few days before you come but our weather and needs are still very changeable. Also, money donations are appreciated so that we can buy a few more tools.
- **New Water Tower:** The first 20 feet is in place. The remainder is being fabricated on the ground and should be lifted into place soon. It is on the same site as the one that was destroyed. City Hall has architectural concept drawings of the **Big Well Museum**. It is quite impressive.
- **Camp Noah II:** A Bible School Program for children of a disaster will be held next week on Monday to Thursday, from 9-3. We expect 50 children to attend. Holy Cross Lutheran of Kearney, NE is doing the program. They have been trained by the national staff. **I thank them sincerely and immensely.** I couldn't have found the time.

Praise God. It's exciting to be doing this work in His Kingdom and sometimes too exciting.

In His Service,

Chuck Jedele
