

## Guinea Prayers, March 2010

### Norton Family Prayer Requests

- Thanksgiving that we've been able to start evangelism in two new villages "J.B" and "N.J." Pray that the seed will fall on fertile ground. Pray that our witness will be bold, and that people will be able to clearly see the life Christ is offering to them.
- Pray for our new believers who suffer many trials, some have left the area looking for gold, others are hoping to be married but because of their faith not finding a suitable mate.
- Pray for our church to have unity, Satan has sown the seeds of division, and many are losing the zeal they once had. Pray that The Holy Spirit will unite everyone who has been baptized into One Faith, One Hope and One Lord.

### Andrea Herman Prayer Requests
