

Doxology is Coming Back to Kansas

2017 Kansas Classic: June 26-29, 2017

The registration fee covers ten days of instruction, materials, food and lodging for pastors, three days for one lay leader, and three days for the pastor's wife. Thanks to generous grants by the LCMS Office of National Mission and other funding partners, DOXOLOGY is able to offer each enrolling congregation a \$2,900 grant. The net result is that all expenses for sixteen days of instruction (pastors, lay leader, and pastor's wife) costs only \$1800 (although the actual cost of this training is really \$4,700 per congregation.)

2017 series registration fee due: \$1800 (Cost to congregation: \$1700 + Cost to pastor: \$100)

Register Soon: Special Early Discounted Registration is \$1600 before December 1, 2016!

Congregation payments can be made in three installments spread over two fiscal years. If there are special financial considerations, please email HSenkbeil@doxology.us regarding eligibility for additional grant dollars.
